CONGRATULATIONS AZAAD

Hyack Football graduating senior Azaad Lidder has been named Hyack Festival Association Youth Volunteer of the Year. The award was presented on January 13th at the Westminster Club. Azaad is a 5-year member of the Hyack Football program starting at both offensive and defensive line during his career. He is always the first to volunteer for the various events our program is involved in, having performed well over 200 hours of community service over the past 3 years. Azaad has always been among our most committed players, having spent more days in the weight room during the off-season than any other member of the senior class. He did all of this while maintaining a high level of achievement in the classroom. Azaad has always been very coachable, respectful and a good leader, always putting the team's goals ahead of his own. He got the most out of his ability. This past year he was also the recipient of the G&F Financial Coaches Award for his hard work, dedication and leadership within the football program and community.

YOUTH FOOTBALL AGM ON WEDNESDAY

The Royal City Hyacks Football program is holding it's Annual General Meeting on Wednesday, January 21st at 8 pm in room 188 at NWSS. The Hyack youth program is expanding this year to include Atom and Flag teams. Players will now be able to play football as early as 5 years of age. This means we need more assistance and input as our program continues to grow. Hope to see any interested parents there. Registration information will be available in the coming weeks.

DATE CHANGE FOR VARSITY TEAM CAMP

The dates for Team Camp in Oregon this summer have been moved to July 5 to 9. The camp will still be held at Camp Rilea in Warrenton, on the Northern Oregon Coast. Registration costs for the camp will again be sponsored. Players will only be responsible for paying for transportation.

NEW UNIFORMS FOR 2009

The Varsity Hyacks will be sporting new uniforms in 2009. The cutting edge look will feature a "Missouri" style front and a "Canes" style back and pant. They are top of the line garments that the players will be excited to wear. The program was happy to get six great years and plenty of wins and memories out of the previous uniforms. The previous pants will now be worn by the JVs and the black jerseys will be auctioned off at Homecoming this September and online. Special thanks to David Sidoo and The Record for their support of the new uniforms
