CONGRATS TO THREE HYACK ALL-AMERICANS

Photo by: Arlen Redekop, The Province

Only three high school football players in all of Canada were selected to play in an All-American game this year, and all three are graduates of the NWSS program. **Vivie Bojilov**, **Casey Chin** and **Daniel English** were all chosen to play in the All-American Bowl Game Classic in Austin, TX on January 9th. They spent time practicing against some of the best high school prospects in the United States and more than held their own, with Bojilov being named co-MVP at LB for the East Team. Expect all three to be playing college football next fall.

PREPARATIONS FOR 2010 ALREADY UNDERWAY

If the first two weeks of the off-season strength and conditioning program are any indication, 2010 will be another outstanding football season at NWSS. 30-40 players have been in the weight room every day after school and the first testing period has gone extremely well. **Jamie Wandell** set a new school record in the bench press (320 lbs) while **Kevin Sabau** broke the wall sit record (8 min, 55 sec). Other notable performances came from grade 9's **Leo Kubotani** (pictured right) and **Yahia Gamaa** and grade 8's **Tristan Clayton** and **James Nicolas**

Most impressive were the large numbers of youngsters in grades 8 and 9 that are regularly attending and looking to make an impact next fall. This off season the program includes a "March Madness" style workout tournament, which will give players of all ages a chance to go head to head in a highly competitive and enthusiastic competition. Special thanks to Coach Oatway and all of the grads who are helping in this effort.

As we are graduating so many players, our auction committee is in a transition phase and this is the perfect time for new parents to get involved in this terrific event.
